

# PPT18 1.8 Metre Heavy Duty Wall Mount

Data Sheet 121205

## Main Features

- Robust mast designed for licenced microwave antennas where minimal movement is required
- Designed for wall mounting on concrete, brick or iron
- Hot-dipped, galvanized members with stainless steel hardware
- Adjustable stand-offs
- Available with options of 2-4 stand-offs
- Designed & manufactured in Australia
- 24-month warranty

## Dimensions

	<b>PPT18</b>
Main Pole Diameter	76mm
Main Pole Height	1.8Metres
Stand-Off Size	50mm x 50mm RHS
Stand-Off Length	180mm (PPT18S) 400mm (PPT18L)
Weight	11kg

## Note:

- Different pole lengths can be ordered as required
- Additional stand-offs can be ordered as required

## Installation Notes

- Typically stand-offs are positioned so distance between stand-offs is the same as height of the mast above the roof line
- Stand-offs are typically dyna-bolted or bolted into wall with a layer of silicone between mast foot and wall.
- Stand-offs can be moved on the pole to allow best placement of the feet.
