

UCLP25

2.5 Metre Medium Duty Cliplock Roof Mast

Data Sheet 121205

Main Features

- Robust mast designed for class-licenced and single licenced microwave antennas
- Designed for cliplock roofs
- Hot-dipped, galvanized members with stainless steel hardware
- Two-axis mast feet to adapt to any roof angle
- Available with options of 2-4 support arms
- Designed & manufactured in Australia
- 3 year warranty

Dimensions

	UCLP25
Main Pole Diameter	48mm
Main Pole Height	2.5Metres
Support Arm Size	30mm x 30mm
Support Arm Length	3.0 Metres
Weight	18kg

Installation Notes

- Channel goes over cliplock ridges and clamps directly to them
- For added security channel can be tek-screwed into the top of the ridge
- Pole clamps can be moved on the pole to allow best placement of the feet.
- Support arms can be shortened if required by re-drilling the single hole for the foot.
